Join us to learn about what The JJPVA DI program can offer you! Build your critical thinking & medical nutrition therapy skills, while caring for a unique Veteran population. Our program offers two tracks towards becoming a Registered Dietitian Nutritionist (RDN):

- 16-month Master of Science/Dietetic Internship Program, including 49-week Dietetic Internship with graduate coursework at New York University (NYU), necessary to sit for the RDN Exam.
- 49-week Dietetic Internship only option for applicants who have completed a MS in Clinical Nutrition.

PROGRAM HIGHLIGHTS

- Individualized 1:1 attention from preceptors.
- Fast-track your MS in Clinical Nutrition at NYU in just 1 additional full-time semester following supervised practice.
- A **stipend** of ~\$24k and paid vacation.
- Intern office w/ personal work stations & collaborative environment.
- Optional health insurance, public transit benefits, and affordable on-site housing.
- No GRE required.
- Strong program stats-100% 12-month RDN exam pass rate!
